## Parish News

This coming Thursday, August 15, is the Solemnity of the Assumption of the Blessed Virgin Mary, which is a holy day of obligation. Our Masses for the holy day will be at 7 p.m. on Wednesday, August 14, and 9 a.m. on Thursday, August 15. On the feast of the Assumption, we remember that our earthly journey is meant to carry us beyond this world to the very heights of Heaven. The “here and now” cannot tell the full story of our lives, because we were created to share God’s life. Please join us for Mass as we honor our Blessed Mother and ask for her help in reaching the same heavenly glory that she now enjoys with her Son.

Fr. Stenger

Recently, the parish was notified that there are plans to install stop signs at the intersection of the parish driveway and Greskamp Road. This is in response to cars speeding on Greskamp Road in order to bypass slower traffic on Four Mile Road. If the ordinance is approved, the new signs are expected to be installed some time in August. Please be on the lookout for these changes in the coming weeks.

#### **Capital Campaign**

Bishop Brossart High School is proud to announce that we have reached the Public Fundraising Phase of the Baseball and Softball Complex addition at the MAC. Since October 2023, our Capital Campaign Committee has been working diligently with community partners to help us reach our goal of four million dollars. We are pleased to announce that we can proceed with building our dream complex for our beloved BBHS Mustang Community.

With this addition, we will have a complete complex to host not only home games for each program, but regional tournament games as well. We will have a synthetic turf surface for our fields to be used year-round, a green monster on each field, as well as dugouts, fencing, lighting, a

concession area and press box. We also plan to add additional parking and infrastructure. These additions will provide greater safety for our students as they currently do not have a home field and must drive up to eight miles for practices for games.

Not only will this addition to the Mustang Athletic Center benefit the Bishop Brossart community, but it will also serve our four feeder schools: St. Mary, St. Joseph, St. Philip, and Sts. Peter and Paul. In addition, we are NKU's Track and Field home track and with our support, they were able to host their first ever collegiate meet at the MAC in April. We also plan to host family nights, athletic sports camps, and class reunions at this facility to increase family and community involvement. We live by our school motto, "Charity First," and love to serve our community in a variety of ways.

It's time to complete the MAC, "The Crown Jewel of Northern Kentucky!" We are eager to speak to you in person about this project, tour the Mustang Athletic Complex, see the construction-ready site that will house the baseball and softball complex, and provide materials, including a brochure which has our mission and vision for the overall project.

For any additional information or questions, please contact Christie Schroder, Director of Advancement at [cschroder@bishopbrossart.org](mailto:cschroder@bishopbrossart.org) or call the school office at 859-635-2108. To make a prayerful donation, please visit our BBHS website, select tab Support BBHS, click on Mustang Athletic Complex. <https://bishopbrossart.org/mustang-athletic-complex/>
